Starling

insects in sects

Introduction:

Do you look at the birds in the garden or in the park?

It is fun to learn about the birds.

Pam and Sam are looking for birds. Let's read...

It is Spring. Pam and Sam are in the garden. They are looking for birds.

Sam is digging. A Robin hops on to the mud. The Robin is looking for food,

The Robin waits for Sam to finish digging and then jumps onto the spade.

A Blackbird is singing in a tree. He is looking for a wife. Soon they will make a nest.

Pam gives the birds some food.

A Greenfinch comes to peck the seeds.

Sam spots a Song Thrush. The
Song Thrush has spots on his
tum!

Isn't he cute?

He has some food.

The Song Thrush hops.

Sam can see a Chaffinch.

The Chaffinch hops to look for food.

The Chaffinch likes to sing.

The Blue Tit sings in the tree.

Sam and Pam can see his bright
blue patches.

They see the Blue Tit hop in the
tree.

He is looking for insects.

This is a Starling.

The Starling comes into the garden to look for food.

Pam and Sam have fun looking
for birds in the garden.

You can look for birds in the
garden too.

You might see lots of birds.

It is fun to look at the birds.
