Text in small print to be read by the teacher.

Practice these words three times before reading this book.

You can sound them out.

cliff	rope
drop	hard

**Introduction:**

Have you ever been to the top of the cliffs? In this story Pam and Sam go for a walk but something happens! Read on to find out what!

Tom can see the sun shine.

“Let us go up the hill to see the sea,” he said.

“Can we go to the top of the cliffs?” says Pam.

“Yes, we can,” said Tom.

Pam and Sam like to go up to the top of the cliffs.

They get in the black truck and drive to the seaside.

Jiff goes with them.

They have lunch and then go up the cliffs to the top.

At the top of the cliffs they look to sea. They see sailing boats on the water. They see a big ship.

They see the beach and lots of sand.

Then they look at the rocks.

They see a man on the rocks.

He waves his arms at them.

“HELP! HELP!”

The man can not get up. He is stuck on the rocks.

The sea will soon come in.

“We must help the man,” said

Tom.

“I think we can help.”

“I have a long rope in the back of the black truck.”

“We can help you” Tom said to the man on the rocks.

“Wait for me to get back. I will get my long rope!”

Tom runs back to the car and  
gets his long rope.

He runs back up the cliffs.

‘I am back,’ he tells the man.

“I will drop the rope. It is a strong rope.”

The man gets the rope.

Tom pulls and pulls.

He PULLS and PULLS.

Soon the man is safe on the top of the cliff.

The man is glad to be safe.

He thanks Tom, June, Pam and Sam.

‘I am glad you came up to the top of the cliffs,’ he says to them.

Tom helps the man back to his car.

Then they go on along the cliff top.

Soon it starts to get dark.

They go back to the black truck in the car park.

“I am glad we came in the black truck,” said Tom. “The car did not have a rope.”

“Yes,” said June. “That was good.”

“It was good to help the man,” said Sam. “I am glad he is safe.”

Tom, June, Pam and Sam go  
up onto the cliffs. They see a  
man on the rocks.

Read on!
