This book practices words with the short vowels: a, and o

Please make sure that your child can blend cvc words before starting to read this book.

In this book, the text is on one page and the child must turn over to see the picture. This is to discourage guessing the words by looking the picture.

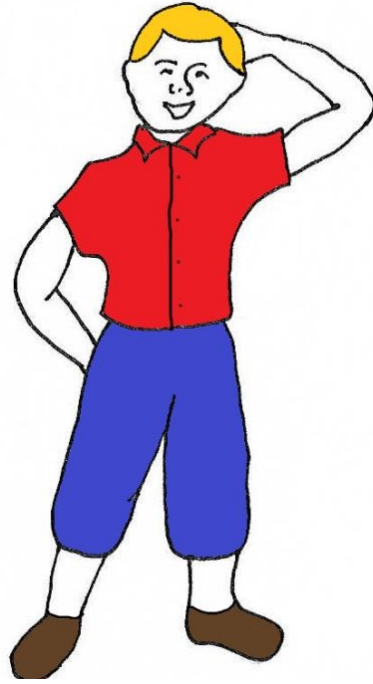

Guessing is not a reading strategy but rather prevents true reading from taking place and so it must be avoided at all costs.

The urge to guess is very strong in many children.
