In Level 2 we seek to build upon vocabulary learnt in Level 1. If your pupil has difficulty with a word, revise the sound family that it belongs to briefly with your pupil. This may just mean simply reading through the relevant list of words in the same family.

In this level we aim to help the pupil become more confident in writing words that have been taught. The pupil should still not be expected to write words that have not been taught yet.

We introduce basic grammar and English language conventions.

Please do not feel that you have to complete every activity. Do those which you feel will benefit your pupil. The main teaching comes through studying the phonic family word lists each week.

We begin now to extend the child's reading ability by including words that can be sounded out, but have not necessarily been introduced in the word lists. Please support your child as s/he starts to realise that s/he can now read many words - even ones they have never read before.

Words in small print should be read by the teacher.

The reading passage can also be used for copy work/handwriting practice.
