**Introduction:** Have you ever been in a boat. find out what happens when Sam and Pam go boating.

Gran took Sam and Pam to the boating lake at the park. They like to go to the park.

She paid the man in the hut and he got a boat for them.

“You must put a life jacket on,” he says to Sam and Pam.

The man helps them into the boat.

“It is fun to float on the water,”  
says Gran as they set off.

“But you must sit still and not rock  
the boat, or the boat will tip and we  
will get wet.”

“I can see lots of ducklings,” says

Pam.

“And I can see lots of fishes in the water,” says Sam. “I wish I had my fishing net.”

“You can’t fish in this lake,” says Gran. “Look. It says NO FISHING.”

Gran did not see the bank and the boat runs into the mud.

“Sam, Pam, look! We are on the mud bank! We are stuck!” moans Gran. “We must get help.”

“HELP! HELP!” cries Gran to the man in the hut.

The man sees that they need help and comes to them in his speed boat.

He ties a rope to the boat and pulls them off the bank and back into the water.

“Do not get stuck again,” says the man.

Sam grins at Gran.

“At least we did not rock the boat and get soaking wet, Gran,” he says.

Gran groans!
