# Odd Words for Both Reading and Spelling

These are words that are high frequency  
and will not be met in the  
word family lists.

I

a

the

is

of

he

be

we

me

go

no

so

to

she

they

are

# Odd Words for Reading **only**

Here we include some words which:  
either can be easily sounded out but have extra letters  
like

have/live/give: all have an 'e' as no English words ends  
with a 'v', for example.

OR

are other words like because and which are high  
frequency Words, which may be met phonetically, but  
not until much later in the programme,

OR

are irregular and must be learned by sight.

These words are included here to aid reading fluency.

Always point out the parts of the word that can be  
sounded out, or act as clues.

E.g. 'pol' in police can be sounded out.
